### ***Joan B. Mirviss, Ltd.***

Ceramics enthusiasts will leave Mirviss's gallery feeling absolutely energized. For around ten years, Mirviss has been preparing "Three Giants of the North," a selling exhibition combining works from three superstar Japanese ceramists from the 20th century: Kamoda Shoji, Matsui Kosei, and Wada Morihiro. Here, an assemblage of colorful, textured works from the masters of clay will be shown in the U.S. for the first time.
